Attention: Mr. Peter Pivovar

Gentlemen:

Pivovar Contracting is a first class operation that has assisted me on numerous site projects.

As a General Contractor performing many large projects throughout Northern New Jersey, I was always at ease with Pivovar as my sub-contractor for any of my excavating or landscaping needs.

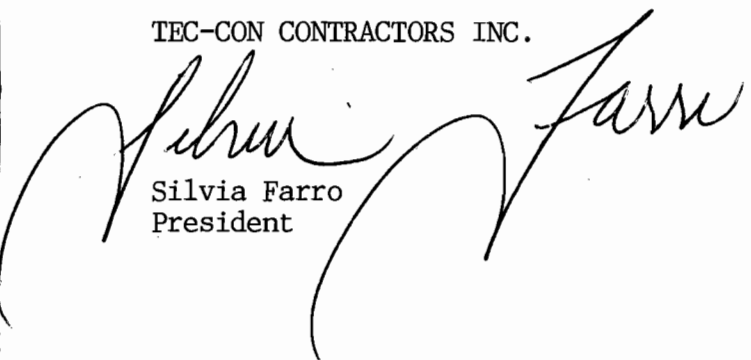

Their professionalism and expertise in dealing with soil control and any problems that may have arisen was always a comforting thought.

I know I will always be satisfied with the final project when Pivovar Contracting is on the job.

If you need additional information please call me at (973) 674 9191.

Sincerely,

TEC-CON CONTRACTORS INC.
